

Part No: 122A10889X

Product Description

- DIN EN 60603-2 (DIN 41612)
- Type R/2
- Female Connector
- 48-pos.
- Solder pin angled

General Data | Technical Data | Material Data | Downloads

min. working temperature	-55° C
max. working temperature	+125° C
Quality class	Quality class 3
Mating cycles	50
IP rating	IP 20
Contact resistance standard	20 mOhm
Insulation resistance	10 GOhm
