Similar to illustration

For many years, the name Klippon® has stood for competence and quality in enclosures.
The Klippon® EBi industrial enclosure series protects your components reliably if they are used in moderate environmental conditions and is designed for everyday applications. With the ever-increasing need for individual application solutions, the Klippon® EBi with its high degree of protection and impact resistance is ideally suited to your needs.
Our standard product is the Klippon® EBi QL – with hinged door and double-bit key lock.
A variant with mounting screws is also available, but is only manufactured on request and is subject to a minimum order quantity. DNV GL and cULus approvals are also available on request.

General ordering data

Version	Klippon EBi QL (Essential Box industrial - Quarter Lock), Empty enclosure, stainless steel enclosure, Height: 400 mm, Width: 300 mm, Depth: 150 mm, Material: Stainless steel 1.4301 (304), Brushed, silver
Order No.	2470720000
Type	KEBI QL 403015 S2B0
GTIN (EAN)	4050118591231
Qty.	1 pc(s).
Delivery status	This article will no longer be available in the future.
Available until	2022-12-12
